

Consignment with the Marin Jewelers Guild

1331 Fourth St, San Rafael, CA 94901 415-454-2711

Thank you for your interest in consigning with us. We presently work with 5 - 8 different artists at a time and are always looking for fresh work that would compliment our gallery.

We ask that you fill out the bottom half of this application and return it to us with 5 slides or photos that best represent your work. Please do not leave original slides or photos with us. We cannot be responsible for loss or damage of slides or photos. It is our intent to hold onto these slides/photos until we either ask you to consign with us, or agree that the work is not appropriate for the MJG.

We are also available to review your work in person. If that is preferred, please make a note of it on the application and we can arrange a time that is convenient for the consignment committee and you.

Our goal is to have an 'artist bank' of potential artists that we can pull from when we feel it's time to have a new artist for consignment.

Rotation of artists that consign with us is on a per-need basis. There are no set dates and no guaranteed time frame of when you would be considered for our very limited space.

Thank you
-The Marin Jewelers Guild Consignment Committee
